Winter Weekend Newsletter

I trust everyone had a good time on the hill this hunting season. Didn't hear of any problems with the camp. Also didn't hear that anyone shot any deer this year either. I was pretty busy with a new addition to our family, (Laura Anne born Nov. 13th) so I never made it up to camp this fall. There's always next year...

I don't believe there is any new news on our lease. The Nature Conservancy continues to work on negotiating easements with the state. All indications are that this will be a slow process. Jim Taylor and myself will keep you posted on breaking news. Until then it's business (fun) as usual.

It's time again to start planning our Winter Fun Weekend. This year our fun weekend will be February 1st-2nd. Trails on the hill have been decent from what I hear.

Reservations for Winter Fun Weekend should be made through me (Gary Hayden) at (315) 592-7981 by Wednesday January 29th.

Just a reminder during the busy holiday season- Please take a few minutes to make sure your dues are current. Payments should be sent to Jim Taylor at:

Brandy Brook Sports Club, Inc.
PO Box 580
Syracuse, NY 13209

All members should be paid through the 1st quarter of 2003. For the new members and as a reminder to the rest, in order to reserve the camp (other than for Winter Fun Weekend, work weekends, and deer season) you must phone in your reservations to Jim Taylor at (315) 427-6922 or 488-6922. I am the back up for reservations if Jim is out of town.

Hope everyone has a great holiday and the new year gets off to a great start. Treat yourself to a weekend at camp--see you on Tug Hill February 1st.

Gary Hayden
President
